

# What Will I CHOOSE?

Ask your parents or a parent to sit down with you and look through your baby book and pictures. Discuss *you* as part of the family. Ask your parents such questions as:

- What was the day of my birth like?
- How did my birth affect our family? Brothers, sisters, older, younger? How does my life affect our family now?
- What do you think is the best thing about

being a member of our family?

- What was my baptism like?
- What do you think is the best thing about being a member of our parish?

Write a summary of your discussion with your parents or guardians. To get started, use the phrases below.
